"SPECIAL SURVEYS ACT," AND IN THE MATTER OF THE SPECIAL SURVEY OF BLOCK 9, HASTINGS TOWNSITE.

NOTICE is hereby given that, under the provisions of the "Special Surveys Act," chapter 249, "Revised Statutes of British Columbia, 1924," an Order in Council in the following terms was made and approved by His Honour the Lieutenant-Governor in Council on the 20th day of September, 1928, in respect of the special survey of Block 9, Hastings Townsite:—

"The undersigned has the honour to report that the following order has been made by the Honourable the Attorney-General in pursuance of section 26 of the 'Special Surveys Act,' chapter 249, R.S.B.C. 1924, in respect of the special survey of Block 9, Hastings Townsite:—

"In the Matter of the "Special Surveys Act," and in the Matter of the Special Survey of Block 9, Hastings Townsite.

"That pursuant to the "Special Surveys Act" I did on the 28th day of January, 1928, upon the request of the Council of the Corporation of Vancouver, direct a special survey to be made and a plan prepared of Block 9, Hastings Townsite, for the purposes mentioned in section 3 of the said Act.

"That on the 15th day of May, 1928, a plan of special survey of the said land was deposited with the undersigned, together with the surveyor's report.

"That in accordance with section 23 of the said Act I appointed Mr. A. G. Smith, Registrar of the Vancouver Land Registration District, to hear any complaints or claims made under the said Act in respect of this special survey.

"That Mr. Smith did attend at the time and place appointed to hear and receive evidence of any of the parties making complaint and interested in the survey, and duly reported thereon to the undersigned.

"That in pursuance of section 26 of the said Act I hereby approve and confirm the report of the said Mr. A. G. Smith, and in accordance with the said report I hereby order:—

"That the boundaries of Lots 19, 20, and 22 have been readjusted for the purpose of clearing houses on Lots 19 and 22. The effect of this alteration leaves Lot 20 reduced in frontage from 65.56 feet to 56.56 feet, and the frontage of Lots 19 and 22 has accordingly been increased by 4.50 feet and 3.50 feet respectively. The cost of the lands taken from Lot 20 shall be charged to the respective registered owners of Lots 19 and 22 at the assessed rate of \$15.489 per front foot.

"That as the lots owned by the McCulloch Estate are now included in one lot, and as there is no demand in the district for lots exceeding 33 feet in width, and as the value of what is left has accordingly depreciated, the sum of \$80 compensation shall be paid to the McCulloch Estate and charged to the cost of the special survey.

"That the claim of Mrs. Marion G. Todd be allowed at the sum of \$13.70.

"That as all the property-owners benefit in the same degree, the compensation allowed shall be charged equally among the owners, except as hereinbefore provided:

"That the report of the surveyor be adopted.

"That, except to the extent indicated, all other claims against the special survey or plan be dismissed.

"That in respect of the cost of the special survey the sum of \$390 be charged to the Corporation of the City of Vancouver, and the sum of \$307.47 be charged against the owners of the lands affected by the special survey, in accordance with the "Special Surveys Act."

"The undersigned has the honour to recommend that the said order of the Attorney-General be and the same is hereby confirmed.

"And to further recommend that the said special survey and plan, duplicate copy of which is attached hereto, be declared to be the true and correct survey and plan of the lands affected thereby.

"And to further recommend that all boundaries and lines fixed by the special survey and plan are the true boundaries and lines, whether of highways or as between the adjoining owners or between adjoining parcels, and whether or not such boundaries and lines were theretofore in fact the true boundaries and lines.

"And to further recommend that the said special survey and plan be substituted for all former plans or surveys of the lands affected, which have hitherto been registered, for the corresponding portions of such former plans or surveys.

"And to further recommend that a certified copy of this Minute, if approved, be transmitted to the Registrar of the Vancouver Land Registration District."

EXCERPT FROM RULES AND ORDERS RELATING TO
PRIVATE BILLS.

Rule 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall,

upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee or Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

DOMINION ORDERS IN COUNCIL.

P.C. No. 1715.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 19TH SEPTEMBER, 1928.

THE Committee of the Privy Council have had before them a report, dated 11th September, 1928, from the Minister of the Interior, submitting that clause 2 of the regulations governing grazing lands in the Provinces of Manitoba, Saskatchewan, Alberta, and in the Peace River Tract, in the Province of British Columbia, established by Order in Council of the 12th April, 1922, and subsequent Orders in Council, provides, in part, as follows: "No person or company shall acquire under lease under these regulations, by original grant or by assignment, more than 25,000 acres."

The Minister reports that Messrs. William Balcovske and Max Finkelstein, of Medicine Hat, Alberta, have made application to lease for grazing purposes, under the regulations above mentioned,

that portion of Township 11, Range 13, lying east of the river; that portion of Township 11, Range 12, lying north of the river, excluding the North-west Quarter of Section 22; that portion of Township 12, Range 12, lying south and east of the river, excluding the West Half of Section 11; those portions of Section 1, South-east Quarter of Section 2, and South Half of Section 12, lying south and east of the river, Township 12, Range 13; that portion of Township 13, Range 12, lying north and east of the river, excluding the portion of the North-west Quarter of Section 5, which has been patented, all west of the 4th meridian, containing an area of approximately 48,500 acres. The said lands were recently revested in the Crown by the Canada Land and Irrigation Company, Limited, but for a number of years Messrs. Balcovske and Finkelstein held a grazing permit from the said company on the said lands and had become dependent users thereof.

The Minister further reports that the lands applied for, above mentioned, have been inspected by an officer of the Department, who reports that they are unfit for agricultural purposes; that Messrs. Balcovske and Finkelstein are established thereon, and recommends that they be granted a lease of the lands applied for, above mentioned.

The Minister, being of opinion that it would not be in the interests of the grazing industry to disturb Messrs. Balcovske and Finkelstein in their ranching operations, recommends that a lease for grazing purposes be issued in their favour, under the regulations above mentioned, covering the lands applied for, above mentioned, regardless of the fact that the area thereof is more than 25,000 acres, provided all other requirements of the regulations above mentioned are complied with.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

The Minister of the Interior. 5539-oc4

P.C. No. 1719.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 19TH SEPTEMBER, 1928.

THE Committee of the Privy Council have had before them a report, dated 13th September, 1928, from the Minister of the Interior, submitting that clause 2 of the regulations governing grazing lands in the Provinces of Manitoba, Saskatchewan, Alberta, and in the Peace River Tract, in the Province of British Columbia, established by Order in Council of the 12th April, 1922, and subsequent Orders in Council, provides, in part, as follows: "No person or company shall acquire under lease under these regulations, by original grant or by assignment, more than 25,000 acres."

The Minister reports that Ranches Nos. 14944, 14730, 14731, and 14732, the positions of which are shown on the plan attached hereto, are held under lease under the regulations above mentioned, the area thereof and the names of the lessees being as follows:—

Ranch No. 14944, 11,787 acres, L.K. Ranch and Farming Company, Limited.

Ranch No. 14730, 11,258 acres, Lachlin McKinnon.

Ranch No. 14731, 11,756 acres, Charles H. McKinnon.

Ranch No. 14732, 10,063 acres, Donald J. McKinnon.

Representations have been made to the Department of the Interior that the said Lachlin McKinnon, Charles H. McKinnon, and Donald J. McKinnon, all members of the same family, control the stock of the said L.K. Ranch and Farming Company, Limited, which is made up of eleven shareholders; that all of the live stock grazing on the four ranches above mentioned are owned by the said L.K. Ranch and Farming Company, Limited; that although this is the most economical way of

carrying on grazing operations on the four ranches above mentioned, yet it is not strictly in accordance with the terms of each of the individual leases of the four ranches above mentioned, which provide that the lessee shall not graze stock other than his own on the leasehold, and that Lachlin McKinnon, Charles H. McKinnon, Donald J. McKinnon, as individuals, should be allowed to assign their leases of Ranches Nos. 14730, 14731, and 14732, respectively, to the said L. K. Ranch and Farming Company, Limited, in order that one new lease may be issued, covering all of the lands included in the four ranches above mentioned, in the name of the L.K. Ranch and Farming Company, Limited.

The Minister reports further that the matter has been investigated by the Supervisor of Grazing of the Department of the Interior, who recommends that the request be allowed.

The Minister, therefore, being of the opinion that the ranching industry should be encouraged, and that it would be the most economical way of carrying on ranching operations in view of the location of the four ranches above mentioned, as shown on the plan attached hereto, recommends that the L.K. Ranch and Farming Company, Limited, be allowed to acquire the leases of Ranches Nos. 14730, 14731, and 14732 by assignment from Lachlin McKinnon, Charles H. McKinnon, and Donald J. McKinnon, respectively, and that a new lease be issued covering all of the lands comprising these three ranches and Ranch No. 14944, now held under lease by the said company, regardless of the fact that the area involved is more than 25,000 acres, provided all other requirements of the regulations are complied with.

The Committee concur in the foregoing recommendation and submit the same for approval.

P.C. No. 1651.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 10TH SEPTEMBER, 1928.

THE Committee of the Privy Council have had before them a report, dated 31st August, 1928, from the Minister of the Interior, submitting that by Order in Council of the 18th June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is conducting extensive operations in the vicinity of Stave Lake, in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar timber for a period of six months; that owing to a congested state of the cedar market several extensions of time have been granted by Orders in Council to the aforementioned Company to continue exporting, the last extension having been authorized by Order in Council dated the 9th January, 1928, for a period of six months from the 22nd *idem*, and whereby the timber exported was subject to the payment of dues at \$2.50 per thousand feet B.M. on logs grading No. 1, \$2 per thousand feet B.M. on logs grading No. 2, and \$1.50 per thousand feet B.M. on logs grading No. 3, which dues are in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion lands and at the same time are higher than the rates charged under the Order in Council of the 18th June, 1925, aforementioned.

The records of the Department indicate that the logs exported during the past six months were all made up of Grades 2 and 3; that the said logs, the greater portion of which were exported to Japan, were advertised previously for a period of ten days; that all mills in the district manufacturing this species of timber were notified and given an opportunity of purchasing the logs at prevailing market prices, but no offers were received.

It has been represented that this export privilege is working out to the satisfaction of the local timber merchants owing to the fact that it takes from the booms a great quantity of low-grade cedar for which

there is at the present time no market in British Columbia, and that at the same time it makes possible the logging of a good deal of timber that would otherwise be unmerchantable.

The Minister, therefore, believing it to be in the public interest, and after taking into careful consideration the report of an officer of the Department well versed in actual existing local conditions, recommends that a further extension of six months from the 22nd July, 1928, be granted the Company to export cedar logs, but subject to an increased rate of dues—namely, \$3 per thousand feet B.M. on logs grading No. 1, \$2.50 per thousand feet B.M. on logs grading No. 2, and \$2 per thousand feet B.M. on logs grading No. 3; the operations to be subject to such conditions as he may determine, and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 16TH AUGUST, 1928.

THE Committee of the Privy Council have had before them a report, dated July 4th, 1928, from the Right Honourable the Prime Minister for the Minister of the Interior, submitting that Lots 11183, 11184, and 11185 in Group 1, Kootenay District, British Columbia, lie adjacent to the Banff-Windermere Highway in Kootenay Park. These lots are privately owned and it is important from an administrative standpoint that the Crown should acquire them.

The property is registered in the name of V. S. C. Kimpton and was acquired by purchase and Crown grant. The owner is willing to sell the same for the actual amount he paid for it, including the cost of surveys. The total amount as verified by officers of the Department is \$3,450, and it is considered the Department is justified in paying this sum, which does not include any carrying charges or taxes on the property since it was originally acquired by the present owner.

The Prime Minister, therefore, recommends that authority be granted for the purchase of the above-mentioned lots and that the sum of \$3,450 be paid therefor to the owner.

The Committee concur in the foregoing recommendation and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 10th day of September, 1928.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that an application has been received from the Shuswap and Okanagan Railway Company for letters patent covering lands required for an extension to their right-of-way in the South-west Quarter of Section 23, Township 21, Range 8, west of the 6th meridian, in the Larch Hills Forest Reserve, in the Province of British Columbia, which may be more particularly described as follows:—

Being in the Twenty-first Township, in the Eighth Range, west of the sixth meridian, in the Province of British Columbia, and composed of all that portion of the South-west Quarter of Section Twenty-three of the said township which lies between two lines, both of which are parallel to and

on the north-western side of the centre line of the right-of-way of the Shuswap and Okanagan Railway, one parallel line being fifty feet perpendicularly distant north-westerly from the said centre line and the other parallel line being one hundred feet perpendicularly distant north-westerly from the said centre line, as the said centre line is shown upon a plan of survey across the land and lands adjoining the same, approved and confirmed at Ottawa on the 1st day of March, A.D. 1926, by Frederic Hatheway Peters, Surveyor-General of Dominion Lands, and of record in the Department of the Interior under Number 34382, and which is a true copy of part of the original plan deposited in the Land Registry Office in the City of Kamloops under Number A 402, the said portion extending from the east boundary of the said quarter-section to a line drawn at right angles to the said centre line through a point in the same distant nine hundred and thirty-six feet measured north-easterly along the said centre line from the south boundary of the said quarter-section, and containing by admeasurement one and fifty-hundredths acres, more or less, the said land being required for the right-of-way of the said railway:

Therefore, His Excellency the Governor-General in Council, on recommendation of the Minister of the Interior and in accordance with the provisions of section 18, chapter 78, R.S.C. 1927, the "Dominion Forest Reserves and Parks Act," is pleased to authorize and doth hereby authorize the issue of letters patent to the Shuswap and Okanagan Railway Company accordingly.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 30TH AUGUST, 1928.

THE Committee of the Privy Council have had before them a report, dated 26th July, 1928, from the Hon. Ernest Lapointe, for the Minister of the Interior, submitting that by an Order in Council dated the 10th of December, 1907 (P.C. 2537), regulations were established for the issue of leases for the mining of coal on lands within the Rocky Mountains Park of Canada, in the Province of Alberta, and provision was made therein that the term of the lease shall be twenty years, renewable, in the discretion of the Governor-General in Council, for further periods of twenty years each, and not exceeding, in all, sixty years, on such terms and conditions as may at the time of renewal be agreed upon by the Government and the lessee.

Coal-mining Leases Nos. 45, 46, 47, 48, 49, 50, 51, 52, and 53 were issued under the provisions of the above regulations, and these leases have been assigned to the Rocky Mountain Collieries, Limited. The term of these several leases has now expired, and the lessee has submitted an application for a renewal thereof, as provided for in the above-mentioned Order in Council.

The Minister recommends, as the provisions of the regulations have been complied with, that renewal leases be issued in accordance with the terms and conditions contained in the general regulations for the disposal of coal-mining rights, the property of the Crown in the Western Provinces and Territories, now in force, approved by Order in Council dated the 20th of April, 1910 (P.C. 729), and amended by subsequent Orders in Council, and that the renewal leases be issued on the form of coal-mining lease prepared by the Department of Justice under the provisions of these regulations.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
